To Whom It May Concern,

This letter is to commend, Virginia Pierce Kelly for her help in preparing items for our Cub Scout recruitment.

Virginia volunteered 12 hours at the North Florida Council, Boy Scouts of America. This project will assist us in reaching out to the communities in our 17 counties in Northeast Florida. Virginia's efforts will register nearly 5,000 new Scouting families in the North Florida Council.

Her support is most appreciated by the staff at the North Florida Council and we welcome her return anytime.

Sincerely,

A handwritten signature in blue ink that reads "Ashley Friesen".
