This is where I am going to start  
Seeking the Almighty Creator with all my heart  
Every tear that I cry falling to the ground  
I know the Heavenly Father is nearby and around  
To see and hear my groaning and supplications  
I know Yahweh Almighty brings me out of these complications  
All my anguish is turned from sorrows to joys  
His Mighty and Holy angels Yahweh deploys  
Rescuing me from the hands of evil and deception  
His Holy Spirit give me deep inner perception  
Teaching me to know how to walk, talk, and live  
All my praises and worship to Yahweh Almighty I give

---

I ask, when will this pass?  
All in His timing  
Faithful trust is a must  
Enduring the wilderness  
Takes preparation  
For the Holy separation

People look, but they do not see,  
People living, but they are not free.  
People eat, but they are not full,  
People push, and they pull.  
People drink, but they are still thirsty,  
People hope, but feel they are not worthy.  
People lie, wanting themselves to hide,  
People true, but social environment will guide.  
People hate, don't know how to love,  
People love, but not the Holy One above.
