

The Heavenly Father Almighty Yahweh Bless and Keep you,

This is a re-post from my facebook page that I would like to share with you.

There is a great deception brewing (has been for awhile), but it is increasing in the USA and the world, and many people will fall for the lies of the evil wicked one our enemy, satan the devil. Satan the devil has many agents (human) and evil angels working for him trying to deceive and destroy the people who are following and doing the Word of the Heavenly Father. Have your body, mind, soul, and heart on guard for the heightened deception. Keep reading and doing the Holy Word from the Holy Book, even though it seems like a difficult thing to do in the USA. The Heavenly Father will come through for His set-apart remnant as they look to Him for protection, provision, power, grace, mercy, love, and salvation.

I pray the set-apart remnant will remain ready and prepared for the coming judgment from the Hand of the Almighty Yahweh. The Almighty Yahweh keeps His promises and He will protect His humble, obedient, born again, servants of the Master who are doing His word, living His word, and seeking His word.

Re-Post on facebook:

Re-Post: I pray everyone will vote for the Ultimate One True Most High Exalted Almighty King and Creator of the universe, the PRESIDENT of all, because He is in total control and He is going to place the person in the White House as President of the United States of America as He desires for His purposes. I would like to share with you what the Holy Spirit has told me in my spirit that "it is the calm before the storm, United States of America is going into exile, and we are living in the days of Noah (Matthew 24)." I know many people do not like to hear or read such things, but if we look at history these things will come true by the Hand of the Heavenly Father. I pray for the ones who have a hunger and thirst for His righteousness (Matthew 6:33) will live the Holy Word, love the Heavenly Father, and love their neighbor as they love themselves. I would like to lovingly urge you to read the "Watchman on the Wall!" messages and "Doers of the Word Bible Study and Fellowship" messages along with your Holy Bible to become ready and stay prepared for what the Heavenly Father is going to do upon the earth. It will be a global event or a series of events and everyone is going to be effected. James 4:10 (AMPC) - "Humble yourselves [with an attitude of repentance and insignificance] in the presence of the Lord, and He will exalt you [He will lift you up, He will give you purpose]." This information is not to frighten anyone, but to urge people to have faith and believe in the Truth of the Almighty Yahweh and His Son by the Holy Spirit.

Keep your head down into the Holy Book and so you can look up to the Holy One when the Son of Man comes as the Messiah. His Peace to you.

The Heavenly Father Almighty Yahweh Bless and Keep you,

Virginia
