Training of Suffering

Heart is heavy with suffering; Heart is empty of unnecessary thoughts; suffering training empties our hearts to prepare for obedience to Yahweh.

1. Training ground for obedience suffering to become a born again, holy, purified set-apart remnant servants of clay vessels molded and shaped and filled with the Holy Spirit by the Hand of Yahweh directing toward His righteousness.
2. All Heavenly Father Yahweh's warriors must go through training in preparation for the coming Messiah.
3. Suffering helps us to become obedient unto the Almighty Yahweh. Suffering trains us to become obedient overcomer servants of Almighty Yahweh.
4. Why should we count it all joy when entering our suffering? It is training to become closer to the Heavenly Father and experience His love, grace, protection, power, peace, guidance, directing, leading, salvation, and to know Him.
