About two weeks ago, the Almighty Yahweh Elohim gave this word in my spirit, "Sleepwalking." The Almighty Yahweh Elohim is giving me a message to teach about many individuals walking while in a spiritual sleepiness. Although the person seems fully awake physically, the Holy Biblical Spiritual life is dormant through sleepwalking. While driving, walking, and talking, the individual is spiritually sleeping to the things of the Most High Almighty. Some people are attending worship services in a state of waking sleep as they walk, stand, listen, or sit in the place of worship. The National Sleep Foundation (2015) states *sleepwalking*,

... is a behavior disorder that originates during deep sleep and results in walking or performing other complex behaviors while asleep [and] ... involves more than just walking during sleep; it is a series of complex behaviors that are carried out while sleeping, the most obvious of which is walking" (Sleepwalking).

The Holy Bible pronounces the Almighty Yahweh Elohim sends many prophets, apostles, and disciples to wake up people who have been sleepwalking on their spiritual path. What causes a person to become a spiritual sleepwalker? Could greed, rebellion, arrogance, pride, ego, and selfishness (G.R.A.P.E.S. Disease) infiltrate the person's heart to cause actions of disobedience toward the Almighty Yahweh Elohim?

[Zechariah 1:6](#)

Didn't my warnings and my laws, which I've commanded my servants the prophets to preach, finally catch up with your ancestors? Then your ancestors turned away from their sins and said, 'Yahweh Tsebaoth has done to us what he had planned to do. He has dealt with us as our ways and deeds deserve.'"

[2 Peter 2:1](#)

[*Warnings about False Teachers*] False prophets were among God's people in the past, as false teachers will be among you. They will secretly bring in their own destructive teachings. They will deny the Lord, who has bought them, and they will bring themselves swift destruction.

When a person is walking in his or her sleep, it is more likely bodily injuries would happen resulting in physical pain. The spiritual sleepwalking person would experience injuries of the heart, soul, emotion, and mind. The sleepwalking place of worship encourages religious leaders to speak and sing lullabies, instead of promoting Spirit-led Holy Words of the Almighty Yahweh Elohim, which causes the congregation to develop a sleepwalking attitude. The sleepwalker is bumping and falling into hard matters of the heart, soul, and mind creating problematic emotions of disgust and sadness of not knowing what to do.

The Almighty Yahweh Elohim sent Holy prophets such as Isaiah, Jeremiah, and Ezekiel to government and religious leaders to warn them of their spiritual sleepwalking. The Holy prophets sent by the Almighty Yahweh Elohim was to give instructions to unholy kings, priests and prophets for them to refrain from performing transgressions against the commands of the Most High Exalted One.

Jeremiah 23:8-10 Names of God Bible (NOG)

Instead, their oaths will be, 'Yahweh brought the descendants of the nation of Israel out of the land of the north and all the lands where he had scattered them. As *Yahweh* lives. . . .' At that time they will live in their own land. "Say this about the prophets:

I am deeply disturbed.

All my bones tremble.

I am like a drunk,

like a person who has had too much wine,
because of *Yahweh* and his holy words.

The land is filled with adulterers.

The land mourns because of the curse.

Pastures in the wilderness have dried up.

The people are evil,

and they use their strength to do the wrong things.

As the sleepwalker enters the place of worship, many people look at the sleepwalker and think the person looks normal, and the sleepwalker does not have any signs of spiritual sleepiness. Unfortunately, the sleepwalker is walking toward a devastating hole that will lead to spiritual death. If the place of worship maintains sleepwalking leaders, then the congregation also is going to begin to sleepwalk on the wide spacious road. The sleepwalker will desire to walk on the wide road because of the look of easiness and comfort. Unbeknownst to the sleepwalker, the wide road thinking causes the wide road to look secure and safe, deceiving him or her. The appearance of the comfort easiness of the wide road is only an illusion that will cause the person toward sleepwalking into many sorrows. [Matthew 7:13](#) - [*The Narrow Gate*] “Enter through the narrow gate because the gate and road that lead to destruction are wide. Many enter through the wide gate.” A spiritual sleepwalking person will fall into many temptations to perform wrong thinking habits. Spiritual sleepwalking will cause a person to have spiritual weakness and decrease the much needed spiritual strength to put on the armor of the LORD Almighty Yahweh. [Ephesians 6:10-18 \[Full Chapter\]](#) – “[*Put On All the Armor That God Supplies*] Finally, receive your power from the Lord and from his mighty strength. Put on all the armor that God supplies. In this way you can take a stand against the devil’s strategies. This is not a wrestling match against a human opponent. We are wrestling with rulers, authorities, the powers who govern this world of darkness, and spiritual forces that control evil in the heavenly world. ...” The power to stop sleepwalking comes from the LORD Yahweh Almighty and His mighty strength, but also we need to be spiritually awake to put on the armor that the LORD Yahweh Almighty supplies for His children. Spiritual sleepwalking is a demonic tactic from the enemy (Satan the devil) used to prevent individuals to stand against the devil’s schemes. Spiritual sleepwalking is a form of deception from the enemy (Satan the devil) to bring temptations initiating sinfulness in a person’s life. Spiritual sleepwalking will prevent the person to become prepared and ready for the unknown day or the hour of the coming Messiah. How does a person prevent spiritual sleepwalking? Yeshua / Jesus the Messiah told His disciples to “... Stay awake, and pray that you won’t be tempted...” (Matthew 26:41). Truthful devotional prayers to the Almighty Yahweh Elohim Most High Exalted One awaken the sleepwalker to perform what is right in the eyes of the LORD. Spiritual staying awake takes actions on the part of the person to continue to put effort toward prayer to the Heavenly Almighty Father, reading His Word, listening to Him, and doing the Holy Word of the Almighty Yahweh Elohim.

He said to them, “Why are you sleeping? Get up, and pray that you won’t be tempted.”

[Matthew 24:43](#)

You realize that if a homeowner had known at what time of the night a thief was coming, he would have stayed awake. He would not have let the thief break into his house.

[Matthew 26:38](#)

Then he said to them, “My anguish is so great that I feel as if I’m dying. Wait here, and stay awake with me.”

[Matthew 26:41](#)

Stay awake, and pray that you won’t be tempted. You want to do what’s right, but you’re weak.”

[Luke 12:37](#)

Blessed are those servants whom the master finds awake when he comes. I can guarantee this truth: He will change his clothes, make them sit down at the table, and serve them.
