For the Purified Set-Apart Remnant of Almighty Yahweh

I could not sleep, and tossed and turned in my bed. I got up out of bed about 1:10am and made some hot tea to help me sleep. I went into my office and read the Holy Bible and study some Scriptures went back to bed about 1:50am. I finally went to sleep in the bed and the Almighty Yahweh Most High Exalted One Creator and King of the universe sent this dream to me.

This is the dream the Almighty Yahweh Most High Exalted One Creator and King of the universe sent to me.

Beginning of this dream.

It appeared I was looking out through a circular window and this dream was in color. The brightness of the dream in this window of color was amazing as I saw this large building made of stone and clay with the color of red clay. The building was tall with openings like windows carved into it (similar to the photograph in this document). Then I looked at the bottom of this red clay stone building on the

grounds of the building and saw people walking around in front of it. The people were walking as though entering the grounds of the building or walking around the outside of the building near the entrance, but not going inside the building. Then after the first group of people walking around the red clay stone building there was a second group of different looking people. The second group of people looked like soldiers wearing some type of armor, which they were walking behind the first group of people. Then the third group of people had a different look and shape. Initially, the third group of people seemed like people, and they had the body shape as a human person. The third group of people walked to the open entrance of the red clay building and stood at opening on the grounds as to guard the entrance from anyone coming inside. Then the third group of people, which looked like soldiers, turned into a row of stones shaped into blocks. These blocks of stone were in a row across the entrance of the red clay stone building to prevent anyone entering the grounds and building. Then the Almighty Yahweh had me to focus my eyes, again, at the bottom of the red clay stone building and directed my eyes to look from the bottom to the top of the building. As the Almighty Yahweh directed my eyes looking with my eyesight rising from the lowest part of the building to the top of the building, I began to say within my mind, "This looks like Petra." Then, looking at the red clay stone in full view, the Holy Spirit of the Almighty Yahweh told me in my mind, "This is Petra." As I continue to look at full view and raise my eyes to see the top of the red clay stone building, the Almighty Yahweh caused the circular window to darken the dream ended.

End of dream.

I cannot describe in mere human words the extraordinary feeling I experienced while watching in wonderment this dream unfolding in front of my eyes. My feelings and thoughts as I was watching and living this dream was one of anticipation for the Heavenly Father Almighty Yahweh to reveal more pearls of wisdom to His servant.

Definitions of word "*Petra*":

Feminine form of PETER. This was also the name of an ancient city in the region that is now Jordan.ⁱ

The feminine noun πέτρα (petra) means rock or rather: mountain of a rock, and is used about 15 times in the Bible. The only derived construct is πετρωδης (petrodes), which consists of our noun petra and εἶδος (eidos), meaning appearance (from the verb εἶδω, eido, meaning to see). The noun petrodes denotes rocky places, or literally rocky shapes, and it occurs an additional four times (Mark 4:5, Matthew 13:5).ⁱⁱ

Petra is located next to the city of Wadi Musa, which means the 'Valley of Moses'. The Jews fled by Moses out of Egypt in the Old Testament the same way that the Jews in the Tribulation will flee to Petra. And just as God supernaturally parted the Red Sea (there's that word 'red' again!), God will supernaturally keep the Jews safe and protected in Petra.ⁱⁱⁱ

Petra is the Greek word for "rock." In the heart of Mount Seir, halfway between the Dead Sea and the Gulf of Aqaba, there is a valley surrounded on all sides by very steep rocky cliffs, with a few narrow gorges leading inside. In this valley, the city of Petra was built. Its Biblical name was Sela. The earliest inhabitants of this area were the Horites, or Hurrians. Later, Esau, the brother of Jacob, settled in the territory south of the Dead Sea, and his descendants, the Edomites, gradually replaced the Hurrians. The Edomites lived here when Israel came from Egypt during the Exodus, about 1445 BC.^{iv}

I have not visited Israel or Petra and only seen pictures of the Petra building on television or printed books or Internet. After my dream ended, a joyous and happy feeling came over me of comfort and peace from the Holy Spirit of the Almighty Yahweh. On July 28, 2016, the Almighty Yahweh through the Holy Spirit sent this message to my heart and mind after personal devotional time with Him, "*Jordan represents crossing over to a new land, new direction, new location as the Heavenly Father directs and guides His children.*" For ones who are purified set-apart for His service and reading, meditating, studying, and doing His Word, the Heavenly Father Almighty Yahweh will protect, guide, direct, and lead His humble clay vessels, He will provide our needs, He will be our Rock and Redeemer, He will not leave and not forsake us, He will become our Defender, He will send His Holy angels to be our vanguard and rearguard to keep us in the Way. The Heavenly Father Almighty Yahweh Most High Exalted One Creator and King of the universe is going to allow and cause an event that involves Petra, Jordan, Israel and the world.
