

Watchman on the Wall!

Theme: Weather Disasters Coming to the Earth!

Date written: Thursday, September 17, 2015

Location written: Florida

Holy Bible Scripture Focus: 1 Thessalonians 1: 9-10 - For they themselves report about us, *telling* what kind of reception we had among you, and how you turned to God from idols to serve the living and true God, and to [look forward and confidently] wait for [the coming of] His Son from heaven, whom He raised from the dead—Jesus, who [personally] rescues us from the coming wrath [and draws us to Himself, granting us all the privileges and rewards of a new life with Him].

The Heavenly Father Almighty Yahweh woke me up this morning at 2:19 a.m. for special prayer, devotion, and supplication time with Him. After two hours of reading His Holy Word, talking with Him through intense and sincere praying, and sitting in silence to hear His voice through the Holy Spirit in my spirit, the Almighty Yahweh sent me back to bed at 4:30 a.m. As I laid my head down on the pillow, I fell asleep and the Heavenly Father Almighty Yahweh sent this dream to me.

This is the dream.

First part of dream.

I was with a group of people in a city walking outside that seem like a park. This park-like setting was beautiful with a lake of water surrounded by large and tall trees. Next scene was I and the people around me begin to see this entire body of water lined with lovely trees sink into a large hole. One by one, each and every one of the trees circling the body of water began to fall into the water consumed by sinking into a large hole. The tree lines dwindled as its entire tree root system and ground sink into the body of water.

Second part of dream (this is the second time the Heavenly Father sent this type of dream to me).

Next scene I was taken to major city with tall buildings and skyscrapers. The many tall buildings began to fall and crumble because of a major earthquake. The towers of buildings fell and plaster peeled off the sky as they tumbled to the ground. People were running everywhere from the high-rise buildings sinking to the ground. I saw bodies of dead people lying on the bricks of buildings that had plummeted to the ground. Few people survived this horrendous horrific earth shattering disaster.

End of dream.

The Heavenly Father Almighty Yahweh is sending warnings of His judgmental Hand upon nations who have forgotten Him, forgotten seeking Him, forgotten obeying Him, forgotten serving Him, and forgotten loving Him. The Heavenly Father Almighty Yahweh is going to send His warring angels to the earth to perform earth disasters through using weather. The Heavenly Father Almighty Yahweh will use the earth to destroy the earth by His LORD OF HOSTS angels carrying out His orders of devastation on the earth. These warnings are to wake up people to repent from sinning against Him, turn back and remember the Heavenly Father Almighty Yahweh's commandments, love, grace, and mercy. The Heavenly Father Almighty Yahweh is lovingly giving people of all nations the time of grace to come and accept His forgiveness, His compassion, His salvation, His peace, and His inheritance. The only way to become saved from what is about to happen upon the earth is to place your entire faith, trust, hope, love, mind, soul, body, and spirit in the One True Most High Exalted Heavenly Father Almighty Yahweh.

Acts 2:38

And Peter said to them, "Repent [change your old way of thinking, turn from your sinful ways, accept and follow Jesus as the Messiah] and be baptized, each of you, in the name of Jesus Christ because of the forgiveness of your sins; and you will receive the gift of the Holy Spirit.
